KARL MECKLENBURG'S
REACH
 FOUNDATION

Founded in 2005 by former Denver Broncos linebacker, Karl Mecklenburg, the REACH (Rewarding Experiences for All Children) Foundation's mission is to provide Denver children with educational opportunities and resources needed to excel in the classroom and in life.

Our main program, **REACH for a Book**, focuses on improving students reading skills by providing incentives and rewards for participating classrooms and students. REACH strives to support teachers and children in their reading goals which we believe will improve their experiences and opportunity to succeed in life.

Karl Mecklenburg's REACH Foundation invites children to:

REACH out to family and friends for love and support
REACH within themselves to dream of a bright future
REACH for the stars and achieve their dreams

Karl Mecklenburg's REACH Foundation invites the community to:

REACH out and lend a hand to children within the Denver area
